

LETTER OF RECOMMENDATION / CONFIRMATION

11 April 2025

To Whom It May Concern,

The Dipaleseng Local Municipality hereby confirms that Environmental and Sustainability Solutions (ESS) was appointed on an annual basis from 2017 to 2024 to conduct the assessment of the closure and rehabilitation provision for inclusion in the Municipality's annual financial statements, in accordance with GRAP 19.

Throughout the period of engagement, ESS consistently delivered their work in a highly professional manner, adhering strictly to the prescribed specifications and completing all deliverables within the agreed timelines. Their technical expertise, reliability, and commitment to quality have been of great value to the Municipality.

We are pleased to recommend ESS based on their proven track record and professional service.

Sincerely,

Palesa Phakoa
Finance Manager
