REFERENCE LETTER: CONFIRMATION OF ENVIRONMENTAL & SUSTAINABILITY SOLUTIONS CC (ESS) AS THE EXPERT ON VALUATION OF GRAP 19 PROVISIONS FOR LANDFILL SITES

This letter serves to confirm that Environmental & Sustainability Solutions CC (ESS) has been instrumental in assisting Thaba Chweu Local Municipality with the GRAP 19 valuation report for the year-end provision for landfill sites. Their support has spanned from the 2017 financial year and continued throughout the periods from 2021 to 2024.

Throughout these periods, we have consistently found ESS's services to be both professional and satisfactory. Additionally, the audit support they provided during our audit processes was invaluable and greatly appreciated. Given the high quality of work provided by ESS, we wholeheartedly recommend their services to any organization in need of expertise in the valuation of GRAP 19 provisions for landfill sites.

Should you have any further questions, please do not hesitate to contact us at Kgagelo.mashego@tclm.gov.za.
